

KENT
Mineral RO™
Water Purifiers
HOUSE of PURITY

The KENT Advantage

KENT has the best water purification technology. It has advantages over other water purifiers as it offers you the following:

- **Double purification** of RO followed by UV, removes even dissolved impurities, kills Bacteria & Viruses and makes water 100% pure.
- **Mineral Retention**- The patented TDS Control System retains essential Natural Minerals.
- **0% water wastage technology** available in KENT Supreme, helps you get the purest KENT purified water while saving water.
- **Suitable for all sources of water**- Be it tap, overhead tank or from underground. Water from these sources can be purified to bottled quality water.
- **Computer Controlled** Operation with Filter Change Alarm and UV Fail Alarm.
- **Automatic Operation** with storage capacity that makes water available on demand, even in the absence of electricity/water supply.
- **1 year warranty** includes free installation along with 1 year free service at site on demand.
- **1 year warranty on membranes.**
- **Prompt after sales service** with a wide service network pan-India.
- **Highest Quality Certification**- Gold seal of WQA, USA.

KENT TECHNOLOGY
 Double purification, removes dissolved impurities and maintains minerals.
RO + UF + UV + TDS Control

The ground-breaking computer controlled KENT Technology combines best of both RO and UV, while eliminating the limitations of a single technology.

RO: Removes even harmful dissolved impurities like Arsenic, Rust, Pesticides, Fluorides etc. besides removing bacteria and viruses.

UF/UV: For double purification, totally kills remaining bacteria and viruses.

Mineral Retention: TDS Controller maintains essential Natural Minerals in the purified water by adjustment of TDS.

The Purest, Healthiest & Tastiest Water.

- Makes water 100% pure by removing bacteria & viruses as well as dissolved impurities.
- Makes water healthy as it retains essential Natural Minerals.
- Makes water tasty as it removes undesirable soluble salts.
